

Management Enhancement Training - "Business Administration, The Profitable Way to Grow Your Business"

The OECS/Export Development Unit with funding support from the 9th EDF Caribbean Trade & Private Sector Development Programme announce a series of National Training Programmes beginning July 19th 2010.

The overall objective of the workshops is to equip **OECS/EDU Client Companies** and **Business Support Organization** personnel with the Business Management Tool in Costing and Pricing, Marketing, Records Management and Human Resource Management skills to successfully manage their business for the competitive export market. The workshop will target **Senior and Supervisory level** personnel from EDU Client Companies and Business Support Organizations (BSO's) in the Manufacturing and Services sectors. Participants may attend the entire workshop or companies may assign different individuals to the modules.

Modules

Human Resource Management (1 day)

Marketing to Suit Your Business to include the introduction of e-commerce (1 day)

Costing and Pricing (2 days)

The proposed workshop schedule is as follows and is subject to change.

Workshop Dates	Destination	Venue
July 19-22, 2010	St. Kitts & Nevis	Ocean Terrace Inn
July 26-29, 2010	Antigua (Montserrat & Antigua)	Jolly Beach Resort
