

In the framework of their collaboration aiming to jointly develop a series of learning programmes in the field of knowledge management, UNITAR and the [Food and Agriculture Organization of the United Nations \(FAO\)](#) have

developed the course

Innovative Collaboration for Development

, an e-learning course on social media tools.

UNITAR is pleased to announce the opening of registrations of a special session, taking place from **25 July to 23 September 2011**. A maximum of 40 participants will be accepted in this session.
