Once more, we are pleased to present to you the second issue of the 'Stats in Focus', Newsletter. In keeping with the objectives of the Newsletter, Caribbean Statistics Day, which will be celebrated across the region on 15th October, provides the unique opportunity to raise the awareness of the importance of Statistics in the economic and social development of the region. In view of that, to mark the observance of Caribbean Statistics Day, we have decided to publish the second issue of 'Stats in Focus', among other activities.

We look forward to receiving articles for future issues from you and would like to express our appreciation to our colleagues who have submitted articles thus far.
