

Dear Subscriber

We thank you for taking the time to read through this publication. We would very much welcome your feedback and suggestions towards continuous strengthening and improvement of ISP Link as well as with respect to the planning and implementation of the ISP Sub-Project activities.

The ISP Team would like to take this opportunity to thank our colleagues who have been working closely with us and continue to provide tremendous support in the planning and implementation of the institutional strengthening activities across several functional areas.

See attached newsletter below.

Regards,

The ISP Team
